

## **Shipping Policy**

Most orders are shipped daily.

The length of time it will take to arrive depends on the geographic location and products ordered.

Most orders ship within 2-5 business days of order processing.

Expect an email with the tracking number of your order prior to shipping, and it usually arrives in about 2-5 business days.

Add 2-3 days for holiday orders.

Some orders may require a signature confirmation of delivery.

If there is someone 18 years old or older, they can sign for the order.

If no one is available, the postal clerk will leave a delivery notice for package pickup at local post office.

If you have any questions or special requests, please email us at info@htmeq.com.

Orders can be shipped internationally, and should allow for longer transit time.

Business days are Monday-Friday, excluding holidays.

If there are questions regarding this privacy policy you may contact us at info@htmeq.com. We may update this policy. Check back periodically for updates.
